PARENT/CARER E-SAFETY AGREEMENT FORM

Student Name: _____

Tutor Group: _____

Primary School: _____

Parent/Carer Name: _____ (capital letters)

As the parent/carer of the above student, I grant permission for my child to have access to use the Internet, Google Classroom, email and other ICT facilities at school.

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the Internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent them from accessing inappropriate materials. These steps include using a web filtering software design for education, employing appropriate teaching practice and teaching e-safety skills to pupils.

I understand that the school can check my child's computer files/documents and Internet history, and that if they have concerns about their e-safety or e-behaviour, they will contact me.

I will support the school by promoting safe use of the Internet and digital technology at home, and will inform the school if I have any concerns over my child's e-safety.

Please refer to the enclosed UAE Southbank Computer Usage Policy.

Parent/Carer Signature: _____ Date: _____

*At UAE Southbank we only use **London Grid for Learning (LGfL)** with students. The e-mail is 'safe' as students can only e-mail others in their class. When we choose to let students communicate with others outside of the school, we only do so with those approved by the school. We tell students to never give out their e-mail to strangers unless they have approval.
