10th May 2020

Dear Parent/ Carer,

All students in Years 7 – 10 (ages 11 – 15) at UAE Southbank take part in project based learning as part of our innovative 'Day 10' curriculum. This involves students having a collapsed timetable from 11.30am onwards once every two weeks to allow them to take part in meaningful projects and off-site trips that will broaden their horizons beyond the current National Curriculum.

Day 10 will allow your child to experience a series of off-site trips throughout London, take part in projects coordinated with external businesses and universities and to participate in projects that will help benefit the local community. It is a fun and innovative approach to curriculum which values learning that can take place outside of a traditional classroom.

Day 10 will take place on the following days for each year group starting with **Year 7 on Tuesday 8th September:**

Year 7 – Tuesday Week A, Year 8 – Tuesday Week B, Year 9 – Friday Week A, Year 10 – Friday Week B

Attached to this letter is a permission slip, declaring that you have given your permission for your child to take part in the 'Day 10' activities every two weeks. Please complete the attached reply slip and return it to us at your parent meeting at the Academy.

If you have any questions, queries or suggestions for potential Day 10 activities please do not hesitate to email me at joseph.jackson@uaesouthbank.org.uk

Yours sincerely,

Joseph Jackson
Enrichment Programme Manager

University Academy of Engineering South Bank

Please return this reply slip
